

## الجدول اليومي – درس ٦

For full credit, write out homework completely. The writing practice is useful. Assume that exercises are to be turned in unless the schedule says otherwise.

The lesson 6 test, which will be on Monday after the Thanksgiving break, will include a vocabulary section that tests you on all the vocabulary you have learned since the beginning of the semester in addition to the grammar points of lesson 6. You should begin to review your vocabulary for this test. The week after the Thanksgiving holiday we will be conducting individual interviews with each student and this vocabulary review will be good preparation for this interview. This oral interview is worth 5% of your grade in the class. We'll discuss it further and do a mock interview for practice in class.
